In Memoriam

Corpus Christi #2502 Knights of Columbus Council joins the world in mourning the passing of His Holiness, Pope Francis. We are deeply saddened by this loss and offer our heartfelt condolences to the Holy See, the Society of Jesus (Jesuits), the religious order Jorge Bergoglio joined in 1958, and the global Catholic Church.

Pope Francis was installed on March 19, 2013, being the first Pope to have the courage to select the Papal name of

Francis and like St. Francis of Assisi, the austere friar dedicated to the piety and the poor. Pope Francis will be remembered for his dedication to serving the poor and those most in need, care for our common world, and his simple humble lifestyle.

We ask all brothers with an American flag to fly it at half-staff for in remembrance of the pope.

May eternal rest grant unto Pope Francis O Lord and let perpetual light

shine upon him. May Pope Francis rest in peace.

Grand Knight's Report-

Mike Villa

Greetings and salutations my brother Knights,

I hope you all had a very Happy Easter. The Lord is risen. Let us rejoice. Unfortunately, this day also brought the death of Pope Francis at 88 years. Pope Francis led the Catholic church for the last twelve years and he has always reminded us to remain humble. The College of Cardinals will convene and over the next several weeks will elect a new Pope.

On Founders weekend I spoke at mass at St. Aidan's and have approximately seven prospective new Knights. I keep asking everyone to recruit and bring in new members. Along with Jim Corrigan's assistance we will be coordinating a night for an exemplification at our council. I implore everyone to keep recruiting prospective members.

Our treasurer, Liam Patterson, has agreed to be our nomination committee chairman. We need members to step up, organize and assist in running this great council. My second term is quickly coming to a close and Mike Keisel DGK, was going to step up and run for GK, but things in his personal life changed and he will no longer be able to run for GK. Please see me or Liam if you are interested in becoming an officer.

Please make plans for and make reservations to Pete Augello for Comedy Night on Friday May 9th. The cost is only \$40 which includes an open buffet. Doors open at 6pm, dinner will open at 6:30pm and the show will start at 7:30pm. We need to make this a successful event and only you can do that. Bring your wives and friends and support our council.

On Sunday May 25th at St. Agnes Cathedral in Rockville Centre Bishop Barres will bless the new statue of Blessed Michael McGivney. This will take place at the 11am mass which the Bishop will preside at. There will be a repast after the mass and all are invited.

MARCHERS NEEDED. On Monday May 26th, we will be participating in the Mineola Memorial Day Parade. We will assemble in the parking lot of Wilson Park on Union Street at 10am. The parade will march from Wilson Park to Memorial Park.

Our next meeting is our business meeting and will be on Thursday May 1st at 8pm. Please come and get involved. I hope to see everyone there.

Vivat Jesus.

Chaplain's Report - Msgr. Bob Batule

Chaplain's Column

As we start the fifth month of the calendar year, the Church is getting ready to elect a new Pope. When that will come exactly, we do not know. A new Pope will be elected in what is known as a conclave. Those participating in the conclave are known as the cardinal-electors. And that would be members

of the College of Cardinals who are under 80 years of age at the time of the election.

The conclave is brought on by the death of Pope Francis who served for a little more than twelve years until his death on April 21st, the day after Easter Sunday this year. He was the first Pope from Argentina and the first Jesuit Pope.

At the point of my writing, there is no way of knowing when the white smoke will be seen and when we will hear shouts of "Habemus Papam." Meanwhile, then, we pray that the Lord's will be done by the cardinal-electors, and that the new pontiff for the Church have the requisite qualities for shepherding the Church at this point in history.

The burdens of the Holy Father are multitudinous, and the weight of responsibility is unlike any other office in the world. To become a Successor of Saint Peter is not something a Cardinal sets out to do; it is a ministry entrusted to him for the good of the Church. The good of the Church can only be discerned by one who is close to the Lord in prayer and possesses wisdom far exceeding the demands of the present moment.

Pray that the right man be chosen under the influence of the Holy Spirit. As the Pope goes, so too does the Church.

A new Pentecost is needed in the Church and the world. So, we bid you, Heavenly Father, to fill our next Holy Father with the courage to strengthen the Church in the mission she has of being faithful to Christ in all things pertaining to the Kingdom of Heaven.

In Christ,

Msgr. Bob Batule

The **Kentucky Derby** is an annual horse race held on **Saturday, May 3rd** in Louisville, Kentucky. It is also sometimes known as the "Fastest Two Minutes in Sports." This event inaugurates the Triple Crown, a series of three horse races. The Preakness Stakes and the Belmont Stakes are the other two races in the Triple Crown. It has been held on the first Saturday of May since 1875, the thoroughbred race is a Grade I Stakes race.

Cinco de Mayo is observed on **May 5th**. It celebrates the defeat of the French army during the Battle of Puebla (Batalla de Puebla) in Mexico on May 5, 1862. Cinco de Mayo honors the culture, achievements and experiences of people with a Mexican background, who live in America. There is

a large commercial element to the day, with businesses promoting Mexican services and goods, particularly food, drinks and music. Other aspects of the day center around traditional symbols of Mexican life, such as the Virgin de Guadalupe, and Mexican-Americans who have achieved fame, fortune and influence in America. One of the largest Cinco de Mayo celebrations are Los Angeles, San Jose, San Francisco, San Antonio, Sacramento, Phoenix, Albuquerque, Denver and El Paso in the USA's south-western regions. In these cities, a large proportion of the population has Mexican origins. Many people hang up banners and school districts organize lessons and special events to educate their pupils about the culture of Americans of Mexican descent. In some areas, particularly in Pubelo de Los Angeles, celebrations of regional Mexican music and dancing are held.

Corpus Christi's Cor Group:

Cor Prayer Group

Brother Knights.

During the 2022 – 2023 Columbian Year, the Supreme Council introduced the **Cor** Initiative and piloted it in various jurisdictions within the K of C. After a successful pilot period, this initiative was brought out Order wide for 2023 – 2024.

Cor is the Latin word for heart, and a Cor group comes together to give the participants an opportunity to grow closer to Jesus, the heart of our faith, through prayer, formation and fraternity. During this Columbian Year 15 separate Cor groups have already been formed in New York, including here in our Council. Corpus Christi's Cor group held its first meeting in May and by the time of the publication of the July Clarion we will have held our June gathering.

All Catholic men, regardless of membership in the K of C, are invited and welcome to participate in our Cor group. We are currently set up to meet on the 4th Thursday of each month at 7:00 p.m. in the "Blue Room" of St Aidan's Convent. The Convent is the building directly behind the St Aidan school building adjacent to the church.

What parish can't benefit from a group of Catholic men regularly coming together for prayer, brotherhood and formation, and who among us can't benefit from participation in such a group. Why not plan to join us for one of our upcoming meetings – it will be 1½ hour of time well spent.

Upcoming meeting will be held **May 22nd at 7:00 pm.**

Again, all Catholic men are welcome. If you have any questions call Jim Corrigan (516) 282-6774.

Americans celebrate **Armed Forces Day** on the **third Saturday of May**. It is a day to pay tribute to men and women who serve the United States' armed forces. Armed Forces Day is also part of Armed Forces Week, which begins on the second Saturday of May.

.....

The Preakness Stakes is a Thoroughbred horse race held May 17th at the Pimlico Racecourse, in Baltimore, Maryland. It is the second event in the Triple Crown, in the series of three horse races. The Preakness Stakes is also sometimes known as the Run for the black-eyed Susans, after *Rudbeckia hirta*, the state flower of Maryland. The winner, however, does not receive a blanket of black-eyed Susans because they do not bloom until June. Instead, they are presented with a blanket of Viking poms or daisies that have been painted to look like black-eyed Susans.

Memorial Day is observed on the **last Monday of May**. It was formerly known as Decoration Day and honors all men and women who have died in military service for the United States. As Memorial Day approaches it is important to remember **why we "celebrate" this day**. Many people visit cemeteries and memorials on Memorial Day and while culturally it is seen as the start of the summer season, remember it is not a day to celebrate the beginning of summer, rather a day to commemorate the sacrifices all the men and women made in defense of the freedoms and lifestyle we all enjoy. Remember all those who gave their lives, everything so that we may live in Freedom. God Bless America! Semper FI!

.....

The **Feast of the Ascension** is on **Thursday, May 29th**. "Today our Lord Jesus Christ ascended into Heaven; let our hearts ascend with Him." "While in

Heaven He is also with us, and we while on earth are with Him. Ascension Day is celebrated on a Thursday on the 40th day of Easter, or 39 days after Easter Sunday. It commemorates Jesus Christ's ascension into heaven, according to the New Testament of the Bible. Don't forget it is a Holy Day of Obligation.

Prayer for the Canonization of Father Michael J. McGivney

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Father Michael J. McGivney, to be an apostle of Christian family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue may we follow your Son, Jesus Christ, more closely, fulfilling his commandment of charity and building up his Body which is the Church. . Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast.

We humbly ask that you glorify your venerable servant Father Michael J. McGivney on earth according to the design of your holy will. Through his intercession, grant the favor I now present (here make your request). Through Christ our Lord. Amen.

Co-Workers in Christ's Vineyard

Today marks the 20th anniversary of the death of St. John Paul II, who died April 2, 2005, and was canonized nine years later, in April 2014. Over the course of his 26-year pontificate, John Paul II addressed more than 25 messages of appreciation for and encouragement to the Knights of Columbus. In his message to the 101st Supreme Convention in 1983, for example, he stated: "Whenever I think of the Knights of Columbus, I am reminded with joy of a rich heritage of faith, fraternity and service, and of a shining example of Catholic laity involved in the mission of the Church."

Celebrating 20 Years as Supreme Chaplain

On April 2, 2005, the Knights of Columbus Board of Directors elected Bishop William Lori of Bridgeport as the Order's 10th supreme chaplain. Over the past 20 years, the supreme chaplain, who was appointed archbishop of Baltimore in 2012, has brought a pastor's heart to his role — evidenced by his hundreds of homilies and reflections at K of C events, his work to enhance and develop the role of state and local chaplains, and by advancing the spiritual formation of Knights and their families through his monthly *Columbia* column. In anticipation of this milestone, which precedes the

30th anniversary of his consecration as bishop on April 20, the Knights of Columbus Board of Directors extended heartfelt gratitude to Archbishop Lori through a resolution during a recent meeting in St. Louis.

Over the past five years, Knights from St. Mary's Cathedral of the Immaculate Conception Council 15295 in Portland, Oregon, have worked with a local charitable organization to fight hunger in the city, bringing monthly food donations to low-income households. He Won Us the Victory

In his most recent column for Columbia, Supreme Chaplain Archbishop William Lori reflects on God's closeness and his desire to encounter us through Christ's humanity and ours. "He didn't redeem us from afar," the supreme chaplain writes. "He penetrated to the depth of existence where rages the battle between good and evil, sin and grace, life and death — and in our flesh, in our humanity, he won for us the victory." The Shroud of Turin offers a unique perspective from which to reflect on the human suffering of Christ, and as the Easter triduum approaches, you can learn more about the impact of this mysterious artifact below.

The Raised Man of the Shroud

In a recent interview with *Columbia*, Dr. Gilbert Lavoie shares how his 40 years of research and study into the Shroud of Turin led him to unexpected discoveries. Author of *The Shroud of Jesus and the Sign John Ingeniously Concealed* (2023), Dr. Lavoie uses his knowledge of internal medicine and forensics, together with study of sacred Scripture, to examine the mystery of the shroud and what it reveals. 'They Joined the Knights to Serve'

Despite the dangers of war, Father Ihor Makar, chaplain of Liubomyr Huzar Council 18244 in Zelenivka, Ukraine, and brother Knights continue to risk their lives to bring humanitarian and spiritual aid to people in Ukraine's conflict zones. The war has spurred the growth of parish life, particularly through the 39 councils that have been established across the country since the conflict began in 2022.

A Path to Priesthood

Father Michael Gelfant became Catholic at age 16 and was later surprised to discover his vocation in the priesthood. Now, as a priest of the Diocese of Brooklyn and a brother Knight, he finds constant inspiration in the life of Blessed Michael McGivney. "[He] was able to band the community together to address tragedies," he said. "To have a priest that is able to use his pulpit to gather the people ... to go out and help others, for me is part of the mission as to why I became a priest." [WATCH HERE](#)

[Remembering Pope Francis](#)

As the Knights of Columbus mourns the death of Pope Francis, we also celebrate the gift of his life and offer thanksgiving for his countless contributions to the Church. "Pope Francis was a powerful witness to charity and fraternity, calling us from his first days as pope to reach out to the margins of society and serve those who are too often forgotten," said Supreme Knight Patrick Kelly in an official statement on April 21. Find the supreme knight's full statement and more at kojc.org/PopeFrancis.

Remembering Pope Francis

The Knights of Columbus was privileged to work closely with Pope Francis, supporting his pontificate through prayer and action. The Holy Father continually offered his blessing to the Order and approved a miracle attributed to Father Michael McGivney, opening the door to the founder's beatification on Oct. 31, 2020. Here we look back on his papacy and highlight some important moments in his close relationship with the Knights. [WATCH HERE](#)

'A Journey of Fraternity'

For more than 12 years, the Knights of Columbus drew inspiration from Pope Francis' call for the faithful to go out to the peripheries, his deep devotion to St. Joseph, and his emphasis on the shared responsibility between clergy and laity in building up the Church. Look back on some of the many ways the Knights supported Francis' pontificate. [READ MORE](#)

In Unity With Peter

In February 2020, the Knights of Columbus Board of Directors made a pilgrimage to Rome in commemoration of the Order's 100 years of service there. Pope Francis welcomed the delegation to the Vatican, where he commended the Order's commitment to serving those in need and its unwavering fidelity to the successor of St. Peter. [READ MORE](#)

Our Easter Mission

In this concluding video, Dominican Father Jonathan Kalisch, director of chaplains and spiritual development, and Renzo Ortega reflect on our Easter Mission and discuss what it means to live with Easter joy and the Lord's gift of Divine Mercy. Brother Knights,

Attached are two files for your Council's use.

- The file, "Star Council Check-Off Form 2024-25" lists everything required to qualify for the Star Council award.
- The file, "Church Recruitment Drive" contains suggested details that you might want to utilize. I realize that most councils already follow most of the suggestions. However, you might get a few new ideas.

I look forward to seeing you.

Thoughts on our first Latin American Pope

After decades of conservative leadership, Pope Francis tried to reset the course of the Roman Catholic Church, emphasizing inclusion and care for the marginalized over doctrinal purity. He shook the status quo.

Francis, who rose from modest means in Argentina to become the first Jesuit and Latin American pontiff, who clashed bitterly with traditionalists in his push for a more inclusive Roman Catholic Church, and who spoke out tirelessly for migrants, the marginalized and the health of the planet, died

at the Vatican's Casa Santa Marta. The pope's death occurred a day after Francis appeared in his wheelchair Easter Sunday blessing the faithful in St. Peter's Square.

Francis steadily steered the church in a different direction. He changed its leadership with a diverse array of bishops who shared his pastoral, welcoming approach as he sought to open-up the church. Francis reached out to migrants, the poor and the destitute, to victims of sexual abuse by Catholic clergy members, and to alienated gay Catholics. He traveled to often forgotten and far-flung countries and sought to improve relations with an antagonistic Chinese government, Muslim clerics and leaders from across the fragmented Christian world. Francis not only came from another part of the world, but he also saw the world differently than his predecessors did. He became the first pontiff to take his papal name from St. Francis of Assisi, the austere friar who dedicated his life to piety and the poor and who, according to tradition, received instruction from God to rebuild his church.

Francis took over the church at a moment of crisis. In the industrialized world, it suffered from falling attendance, faith-draining clerical sexual abuse scandals, demands for a greater role for women and a dire shortage of priests. And in Latin America, Asia and Africa, where the faith was continuing to grow, the Catholic church faced increasing competition from Protestant evangelical and Pentecostal churches. He tried to move the church away from divisive issues like abortion and homosexuality and shift its emphasis to global problems like climate change, poverty and migration. His vision, expressed in his first papal encyclical "[Laudato Si](#)," or "Praise Be to You," linked Catholic theology to protecting the environment and championing those on the margins, while denouncing the excesses of global capitalism in exploiting the poor.

Francis' most enduring legacy may be the transformation of the clerical ranks and the reshaping of the College of Cardinals, once dominated by conservatives appointed by Benedict and John Paul II. Arguably the most dramatic change Francis brought to the church, his

supporters say, was perhaps the simplest: a willingness to open questions for debate, planting the seeds for deep, long-lasting change. Francis did not stifle views he disagreed with and believed in a patient process — he called it discernment — in which ideas and proposals could be weighed before going forward.

While some of Francis' most ardent boosters worried that his fondness for debate and discernment resulted in a pontificate that was largely talk, he made undeniable substantive changes, such as broadening the definition in church law of people who could be considered victims of clerical sex abuse, and seemingly bureaucratic ones, like decentralizing power away from Rome and building the hierarchy in the United States with liberals. Those efforts have the potential to yield even greater change. At the beginning of his pontificate, supporters predicted a "Francis effect" that would fill the pews with faithful, by the end they claimed a more modest achievement, that he had opened church doors that had for decades been sealed shut.

For Pope Francis, we pray: Eternal rest, grant unto him, O Lord. And let perpetual light shine upon him. May the souls of all the faithful departed, through the mercy of God, rest in peace.
